OTHER USEFUL INFORMATION

OPEN GARDENS

Sunday June 12th 2022
Redland West, 2.00 - 5.30 pm

Spring Meeting

7pm 28th April 2022
at The Redland Club
with a Tree Talk by BCC Officers

Your friends and neighbours are welcome as visitors to our events. This will hopefully encourage them to join the RCAS. The annual membership subscription is £10 per household.
Application forms are on the website and information on how to apply appears inside every Newsletter.

ARE YOU ON EMAIL?

If so, do we have your current email address? We would like to use this quick and economic way to draw your attention to matters of particular interest, especially where planning matters arise in your vicinity which might need urgent action.

Please send an email to membership@rcas.org.uk with RCAS EMAIL in the 'Subject' line, and your email address will be added to our records. It will only be used in connection with Society matters.

OUR PUBLIC SERVICES

The Committee encourages members to make full use of the information and other services provided to them by the Council and other public bodies, including the various helplines and internet reporting arrangements. We often hear of problems and find that that no one has reported them, so nothing has been done. Regular reporting does raise standards.

The contacts given here are believed to be correct as at November 2021

USEFUL CONTACTS

BRISTOL CITY COUNCIL (BCC)

Reporting street issues

- Litter, fly-tipping,
- fly-posting,
- graffiti or tagging,
- roads that need cleaning,
- overgrown trees or hedges blocking pavements,
- potholes,
- blocked drains,
- street light problems.

The best way to report these issues to Bristol City Council is to use the Report a street issue page on the BCC website. You can report most issues there by completing the online reporting form. Remember to record the reference number so that you can chase this up, if necessary.

(You can telephone the Customer services number 0117 922 2100 but it is an automated service which is very slow to respond, and requires the service officer to complete the form for you.)

Bishopston Cotham Redland Community Partnership (BCRCP) have a very useful page with links for reporting of many issues and links to useful resources <https://bcrp.org.uk/report-it/>
